YOUTH ORCHESTRA**

MIMYO's Summer Strings Chamber Workshop is an intensive, weeklong daycamp for String Players of all ages and abilities. Over the course of each day, participants will play in String Orchestra, Mixed Ensembles, and Quartets, with group and individual lessons from professional string players and teachers. Summer Strings provides players a uniquely fun and comprehensive musical/educational experience. Workshop repertoire is chosen and specially arranged to suit a variety of playing levels while being approachable and enjoyable for players and audience alike. This workshop is the perfect way to prepare for auditions and participation in school-year orchestras, and a great way to keep in musical shape over the Summer! Participants will get to know other musicians in the area and develop lasting friendships based on mutual interests and accomplishments. They will also have ample opportunity to meet and work with professional musicians and teachers from the Nevada County area.
