

Lucy Becker Memorial Scholarship

An Invitation for a Talented Young Singer

Music in the Mountains is searching for an aspiring young singer. Our goal is to award the annual Lucy Becker Memorial Scholarship to a serious-minded vocal student who wants to broaden his or her studies. We are looking for someone who has a passion for the craft of singing and who wants to share his or her love of music with others.

The winner of the scholarship will receive a monetary award of \$2000 and the chance to sing in concert with a full orchestra during Music in the Mountains popular SummerFest.

Our past winners all majored in vocal performance at California universities. Although different in style, they all possessed beautiful voices and fine technique, and were very comfortable on stage. Regardless of their future journeys, whether blending singing gigs with teaching, performing in regional productions or traveling afar, virtually all of them regarded music as an essential part of their lives.
